FARRAH FORCE IT!

Reality TV is responsible for so much that is wrong with the world it's ridiculous. But, we have to admit, we do get our rocks off to some of the girls it throws our way. We're not sure about Farrah Abraham though – she seems a bit of a nutty mess. She was one of the stars of MTV reality series *Teen Mom*, but became a much bigger star when Vivid released her 'leaked sex tape'. From where we're looking it's a porno, but Farrah insists *Farrah Superstar: Back Door Teen Mom* is a leak, and that the sequel is too. Hmm, it just so happens your tape is made with leading porn stud James Deen, and you promoted it for a while. Farrah is now a regular on TV show *Couples Therapy*, throwing around wild accusations about her time in the porn industry (that she simultaneously claims she was never in) that have prompted Vivid to offer her $1M to pass a polygraph test. This can only end in rehab...

Farrah: Not wearing Farahs!

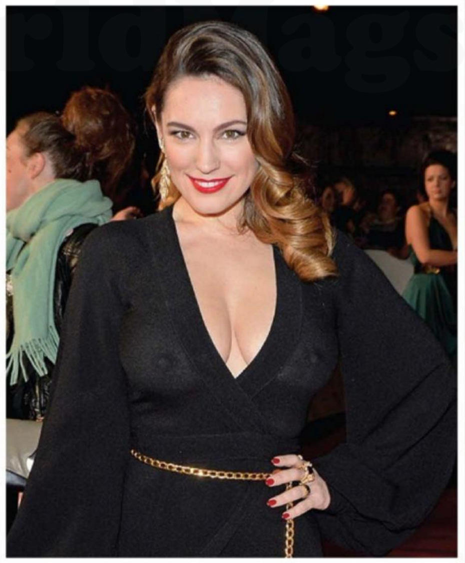
Christy: Loves bricks and pricks!

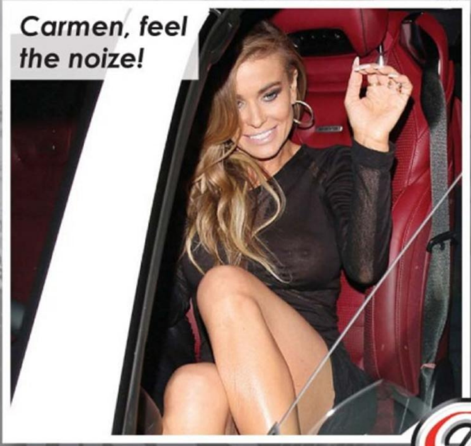
PULLING MY LEGO!

Heavily tattooed porn star Christy Mack is one of our favourite go-to girls when we want hardcore action. This girl takes cock in the wrong'un like a champ. So we could barely contain our excitement when she announced a competition on her twitter feed in January: "Whoever builds me the best Lego creation to put in my house gets a blow job". A Christy Mack gob-job is not to be sniffed at, so we (and half the world) got out our bricks and got to work. And then, crushing disappointment: "The bj competition is off due to lawyers not liking my twitter content. I think it's because they didn't win the competition" she tweeted after Lego's lawyers had got in contact. Do we get our blow job anyway?

SHEER HEART ATTACK!

Considering the amount of celebrities who sue newspapers and photographers for taking long-lens photos of them with their knockers out, you could be forgiven for imagining that celebs were coy and shy types. If that was really the case, why do so many of them turn up to events wearing the equivalent of nothing? Is it because they're hypocrites and they know that a nip slip or a see-through piece of clothing is guaranteed to get them on the front page? In the space of just a few days Rihanna, Carmen Electra and Kelly Brook all turned up to the opening of an envelope in sheer tops that left little to the imagination. Publicity slags, you remark? We couldn't possibly comment...



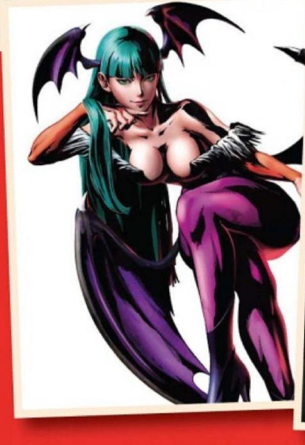


Carmen, feel the noize!

O MY GOD!

If there's one thing most of us are in blissful ignorance about, it's what our faces look like when we cum. Only narcissists who stare in the mirror and porn stars whose moment of climax are captured on camera are usually aware of how they look when they chuck their muck. But website *Beautiful Agony* plans to change that, with lofty goals: "Beautiful Agony began as a multimedia experiment, to test a hypothesis that eroticism in human imagery rests not in naked flesh and sexual illustration, but engagement with the face. We wondered whether film of a genuine, unscripted, natural orgasm – showing only the face – could succeed where the most visceral mainstream pornography fails, and that is, to actually turn us on." Yeah, alright. Guff aside, it's actually quite a refreshing site to visit – especially as most contributors are women.

League Tables



Retro words for penis

Last month *Adult Sport* revealed lost words for 'vagina' as researched by slang lexicographer expert Jonathon Green, this issue is the turn of the penis, aka the following through the ages...

1) **Cod (1500)**
2) **Pudding prick (1546)**
3) **Plum-tree shaker (1611)**
4) **Don Cypriano (1653)**
5) **Gingling Johnny (1833)**
6) **Tallywag (1865)**
7) **Diddlywhacker (1964)**
8) **Dingbat (1916)**
9) **Quimstick (1896)**
10) **Pecnoster (1890)**

Hottest video game chicks

We couldn't find an official league of the sexiest virtual chicks, so we decided to create our own, for no other reason than to have a fantasy letch. Here's our top 5...

1) Lara Croft (Tomb Raider) – Lets start with the obvious. You'd never turn her down: she's got the accent, the abs, the ass and the attitude!
2) Rachel (Ninja Gaiden) – Beautiful, blonde and blue eyed, Rachel looks innocent enough, but that skin tight, leave-nothing-to-the-imagination boob-wobbling leather get up definitely suggests otherwise.
3) Morrigan Aensland (Dalkstalkers) – Ok, so the wing-thing and the fact she's a succubus vampire that could kick our arse is intimidating, but we'd happily be her cheap thrill in battle.
4) Harley Quinn (Batman Arkham City) – Deranged and unstable, but damn The Joker's girlfriend sure knows how to pull off a corset and thigh-highs.
5) Bayonetta (Bayonetta) – It's the glasses, definitely the glasses. Nothing to do with the skin tight, open back black cat suit.

Smoo DETECTIVE

Odds are always short on a new HBO show having nudity in it. And the excellent *True Detective* – which stars Matthew McConaughey and Woody Harrelson – certainly gave us a woody in the first few episodes with boobs, bum and bush from the stunning Alexandra Daddario – a new one on us – and the reliably hot Michelle Monaghan. Time to spend some time with our private dicks...

Jessica

When *Adult Sport* called up Jessica to be in the mag, she thought we had a wrong number. She also thought we were a magazine dedicated to sport. No, love, we didn't think you were Jessica Ennis. We said 'Jessica, we'd like some photos of your anus'. But it was a very bad line...

Nikki

Bubbly Nikki is just the kind of girl you'd expect to host sex-toy parties. She's fun, she's sexy, and she's tried them all. "Oh, I wouldn't sell anything I hadn't road-tested," she tells us. "I get all the samples, put them through their paces, hold a party and watch a load of tipsy women try them out in front of me. It's the perfect job!"

Slovakian sex queen Diana Doll is perfectly at ease with being a porn star. She tells *Adult Sport* about being a young MILF, her tight holes and how to get her off…

First off, could you please introduce yourself to those readers who might not be familiar with your work?
Doll: My name is Diana Doll and I'm from Slovakia. I live in LA right now but I still miss my home. I'm 35 years old but I don't think that I look like that age and I don't feel it!

Did you dream of becoming a porn actress when you grew up?
Doll: Not in the least. I was a very intellectual teenager and if anything, I was interested in the arts. Before I went into the porn industry I worked for a few years as a graphic artist and designer. Physical pleasures were never my strong suit. I was pretty boring.

So how did you get here?
Doll: I was interested in doing some modelling, when I met Director Pierre Woodman, he asked me if I was interested in nude modelling, although it was really for Hustler Video. I was flattered beyond belief, because I never saw myself as a sexy girl. I didn't realise I had something that people might want to watch.

Do you remember your first scene?
Doll: It was funny – my first scene was as a dominatrix, so I didn't have to do any sex, just ordering everyone else to! I think the director was going easy with me because I didn't know what to do! My second scene was a girl-girl scene, which again, was pretty strange for me as I had never been with a girl before. I only did three scenes and gave up for two years, so I didn't really start properly until I was about 27.

As you started out quite late compared to most porn stars, you were instantly given the MILF title. Does the label bother you?
Doll: Oh, good question. At first I was really annoyed to be asked to shoot MILF titles because I always thought a MILF should be an old woman, and I'm not. Okay, I'm 35-years-old now, but I think I don't look like a MILF. Then, when I started to shoot MILF movies more often, I started to realise it wasn't a bad thing at all – it's actually really fun. Of course many of my fans ask me why I do MILF movies, but they still like to watch the scenes, so it can't matter that much!

How do you find the difference between life and sex in the USA than in Europe?
Doll: Overall, we are much more relaxed about sex in Europe. I have a steady boyfriend so I don't really know how the men differ in bed, outside the porn industry. But as a general rule, it seems European men are not so hung up on themselves. American men are very vain. They spend a lot of time building their muscles and looking in the mirror. That's not so sexy.

Do you get recognised walking down the street?
Doll: Never in America, but often back home. There's nothing shameful about being a porn actress there, especially not if you have made it big in America. People are impressed!

Would you date a fan?
Doll: I would, but since I have a steady boyfriend right now so I try not to sleep around. I get a lot of sex in front of the camera and he is OK with my career, so I don't want to push my luck by fucking even more guys outside of work!

Do you prefer your cocks on the smaller size, or the larger variety?
Doll: Well, I'm very, very tight so my pussy categorically prefers the smaller cocks!

Would you consider yourself bisexual?
Doll: I like women sexually, but I don't think I could fall in love with a girl the same way I fall in love with men. But you never know; if I ever meet Cameron Diaz or Scarlett Johansson in real life, I'm sure they could change my mind…

Who do you most enjoy performing with?
Doll: I like most of the girls, actually. I have fond memories of working with Michelle B, Jana Cova and Monica Sweetheart, maybe mostly because they are Europeans like me. But there are many others, too, like Mick Blue. Porn actors are really nice in general.

What turns you on and how do you get off?
Doll: I can be a bit of a pillow queen at

home, so I like to lie on my back and get deeply fingered, both in my pussy and in my arse. No kissing or foreplay, just fingers on my clit and inside both my holes until I cum. It's nice not having to do crazy acrobatics when I'm not working. I do so much of that on set.

That doesn't sound like you…
Doll: I'll admit it; I'm basically lazy at home!

Is there anything you still haven't done on camera, but might in the future?
Doll: I have never popped my anal cherry, which is unusual for a European porn girl. It's just something that I seem to have a problem with, because my arsehole is so tight. A finger works fine, but I simply can't get a cock in there - although I keep hoping. But Jenna Jameson never took a cock in her arse on film either, and she still became a big star.

Like a few of your colleagues, you have appeared in mainstream films that have required you to act – how did you find it compared to your porn work?
Doll: Well, I was in a mainstream movie in Austria a few years ago. I was in it with two people from the industry, Monica Sweetheart and Mick Blue, which made it easier, and I liked a lot. It was such a fun experience. The name of the movie is *Schlimmer Gehts Nimmer*. I really enjoyed acting a lot, although it's harder to perform than sex is.

What do you enjoy doing in your spare time?
Doll: I do mostly computer work, especially Photoshop. It is great to have the graphic design skills needed to do my own designs for my website. I shoot and edit my own movies, too!

Can you tell us something about yourself that would surprise your fans?
Doll: People think I'm a very serious person, but I'm actually pretty goofy. I crack silly jokes all the time and behave like a moron! Life is all about having fun and I love to laugh.

Where will you be in ten years?
Doll: No idea. Maybe I will be a successful porn website producer. We will just have to wait and see! ●

Where can your fans get in touch with you? My Twitter, *twitter.com/DianaDollxxx*. I'll see you there!

RANDOM FACTS

Diana Doll was nominated for the same AVN award – Female Foreign Performer of the Year – two years running, in 2008 and 2009.

Ms. Doll speaks numerous languages, including Spanish, Russian, English, Polish, Czech and her native Slovakian.

She is not only a qualified graphic designer, but she's also a fantastic make-up artist!

Diana originally opted for the moniker, Sue Diamond, but changed it after continually getting confused with fellow-Slovakian fuck-bunny, Suzie Diamond.

In 2004, Diana stopped doing boy-girl hardcore, concentrating solely on licking pussy. Then, in 2006, she changed her mind and opened herself up to cock once again, which she does to this day. Hooray!

Asia ARGENTO

Daughter of master Giallo director Dario, Asia Argento is a fine actress who, for one reason or another, likes to express her thespian talents through her tits. As you do. She's starkers in 2012's *Dracula 3D*, 2007's *The Last Mistress*, 1998's *B. Monkey* and, well, in just a hell of a lot of films. Let's hope her dad isn't watching...

girl's world...

Hi there, guys. My name's Adrienne and I'm a glamour model. I guess maybe you guessed that from the photos here of me and Eva, but it's good to clarify these things. Also, the other thing I am is a bit of a prude, which I guess sounds a bit weird coming from a girl who takes her clothes off and lets men photograph between her legs for a living.

Well, I suppose I am a bit of a hypocrite in that department – I act like a right slut when my work calls for it, but I'm a bit prim and proper when it comes to sex and relationships outside of the photographer's studio. I'm a one-man gal, no filthy stuff, and I like everything to be romantic and lovely – don't do one-night stands and I'd certainly never done anything with a girl before…

Well, you can guess what's coming next, can't you? Pretty obvious, when you look at the pictures. But yeah, before I was booked on this job I'd only ever done solo shoots, and I always turned my nose up at doing jobs with other girls (and don't get me started on boy/girl – I'm not putting a penis inside me unless it's connected to someone who loves me). But I really, really wanted a new laptop and I was offered a really good amount of money to do this shoot, so I weighed up my options: save for three months and get an okay laptop, or put my head between a stranger's thighs and lick her pussy and get a top of the line laptop on the way home…

So there I was at the studio and this very pretty brunette walked in. She told me her name was Eva and that she'd done plenty of girl-on-girl shoots in the past. I pretended I'd done one or two, there was no way I wanted her knowing she'd be my first. The snapper made us both tea and we got our make-up done, and all I could think was how I didn't want this girl I'd never met before to touch my pussy. I was single at the time, so it wasn't the issue of feeling like I was being unfaithful (which I would have done if I'd been going out with someone) but just the thought of doing that kind of stuff with a stranger. It's just not how I was brought up!

Anyway, we talked for a bit and I realised we had very little in common. She was quite vacuous, if harmless enough, but very attractive. I'd never even considered sex with a girl before, and here I was, moments away from doing just that. And wishing I wasn't! Anyway, it was time to get down to it so we changed into our lingerie and plodded over to the corner of the studio where everything was set up for the shoot. I pretended to be totally cool with the situation, but really had no clue what I was going to do.

I was aroused at the sight of Eva's young, tight body and I was startled to feel myself get wet between the legs. I never normally get turned on like that on normal shoots, so I was quite flustered at the thought of her and the photographer seeing me all wet down there.

Eva grabbed me and planted a huge kiss on my lips. She forced mine apart with her tongue and slipped it into my mouth. I could hear the photographer snapping away, and then I felt her hands on my bum, spreading my cheeks apart. I was in shock! These were stills, and I thought we'd be posing sedately

for them, but Eva seemed more intent on getting off with me and less on whether or not the pictures looked good. I worriedly looked over at the guy who was paying me to be there, hoping he wasn't angry, but he motioned at me to carry on and said something about it looking 'real'. Well, it was bad enough that I was having to do rude things with this girl, but for them to be real too?

But then Eva put her hand between my legs...

My knickers had slipped to one side so her fingers immediately slipped inside me – I wasn't prepared for quite how wet I was. I gasped out loud and Eva pushed hard against me as we knelt on the bed together. Her fingers found my clit at once and she knew just what to do with it. She rubbed firmly, all the while exploring my mouth with her tongue. My head was spinning – in an instant I'd forgotten where I was or why I was there, all I knew was that a beautiful young woman was fingering me to orgasm and there was nothing I could do to stop it. Not that I wanted to!

I came in just a couple of minutes. Normally it takes me a lot longer than that, but this girl had obviously awakened something in me. I stifled a scream and bucked against her hand, clutching on to her toned body as she brought me to climax. And then, when I got my breath back, she lay back on the bed, spread her legs wife and pulled her panties apart to show me her immaculately-shaved pussy. She didn't need to tell me what to do. I got on my hands and knees and took my first ever taste of cunt – she was as wet as me, and the taste was like nothing I've had on my lips before. I stuck my tongue in and reached up her body to squeeze her pert tits, then licked and sucked like I was possessed. Eva moaned like crazy and pushed her hips toward me so her squelchy pussy rubbed all over my face.

I could hear the photographer snapping away while I made Eva orgasm. Her juices were all over my face and I had a feeling I didn't look my best any more, but I really didn't care. He wanted real, and he was getting it from us. As soon as Eva had finished coming, she got up, pushed me back on the bed and then turned me onto my front. Then she started licking inside my butt-crack – something I'd never let anyone do to me before! She snaked her tongue right between my cheeks and licked my hole, then slid a finger into it. This was a totally new sensation for me, and I reached my hand between my legs and started frigging like mad as she probed and kissed me there. I stuck my butt right in her face and she furiously tongued it – the feeling was a mixture of ticklishness and downright raunch. Before long, I was coming again. And then again!

Seeing as I'd had so many orgasms, I knew it was Eva's turn again, so I flipped her on her tummy and did exactly to her what she did to me. I had no idea what to expect but as soon as I buried my face between her buttocks and started licking I felt as sexy as I ever have in my life. A truly incredible experience. Of course, Eva was coming again in no time, and the pair of us just kept taking turns making the other climax for what seemed like hours. It got to the point where the photographer left us to it and went to watch the telly in the next room.

So, what's the moral of this story, dear readers? Well, one is that going down on a girl is the best thing in the world, although I'm not sure that's actually a moral. But not being afraid to try new things definitely is, and I'm gonna open myself up to lots more sexual experiences from now on. Literally!

Clemence POESY

Most recently seen in *The Tunnel*, the Brit remake of *The Bridge*, Clemence Poesy is best known to Brits as Fleur Delacour in the *Harry Potter* films. But let's gloss over that and focus instead on 2003's *Bienvenue Chez Les Rozes* where she unveils a perfect rack and makes us want to deliver a big baguette to France right now...

Legends of PORN Kirsten Imrie

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

Buxom glamour babe Kirsten is widely regarded as a Scottish model, but as she was born in Kensington, London, we're claiming her as a Londoner. Sorry, Scotch. She's retired now, but once upon a time Kirsten was one of the most popular models around, making her Page 3 debut in 1988 at the age of 21. With her lovely natural boobs and sultry smile, she was an instant hit, and went on to grace the top shelf as well. She had some well-chronicled problems with fame, leading to addiction and homelessness. Happily, she turned her life around and returned to shoot some stunning photo sets for Paul Raymond titles like *Mayfair* and *Men Only* in the late noughties. Now that's how you end a career...

Rosamund PIKE

English rose Rosamund got to seduce James Bond in *Die Another Day*, but has also spiced up a career that might have been full of playing icy middle-class wives with rude turns in 2007's *Fracture* and *Fugitive Pieces* before getting her bits out in TV's *Women In Love*. Everything's coming up Rosamund!

WorldMags

The Beautiful Game

THE ULTIMATE SEX BEDROOM

Make sure your love chamber is up to snuff... *by Rose Crompton*

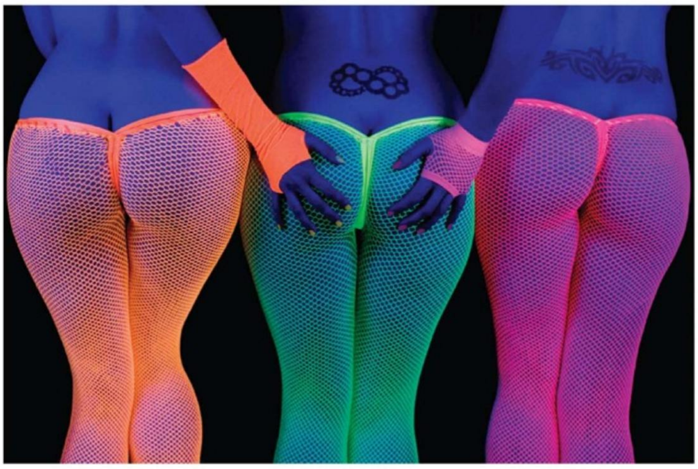
Imagine scoring with your favourite 'Faking It' Hollywood looking A-Lister with the body and needs of a porn star and the only place she wants to go is back to yours. Woof! However, it's going to take a little bit more than clean sheets on the bed to impress her and keep her for the night. So, if money was no object, what would you put in your lurve nest to create the ultimate sex bedroom? Well, here's what our *Adult Sport* Sex Pad would look like...

THE BED

An ultimate sex bedroom needs an ultimate sex bed. There's no space for your standard divan in our room. You'd be hard pushed to find a bed that screams *"fuck here!"* more than The Bondage Bed by BedS&More. *"A massive amount of people enjoy a bit of bondage, anything from light spanking to full on restraint,"* says BedS&More Technical Director, Alan Crowson. *"The biggest problems people face, preventing them from fully enjoying this side of their sexuality, is they simply don't have the space, plus they have families, or friends in the house and don't want to advertise their private passions, so we spent many years designing a functional, stylish bed that converts in a matter of seconds and effectively offers a complete dungeon playroom, but when not needed appears to be a fantastic four poster with the addition of a bespoke canopy,"* like this one pictured, which would set you back at least £1949 from ***Beds-and-More.com***.

THE ART

Bare walls look bland and totally unsexy, which is why they should be decked in high-quality erotic art, like the '3 UV Bums' from Robert Babylon (900 x 600mm, £650), which can't fail to get any bedroom visitors in the mood. Robert's UV images are his signature work. *"The abstract nature of these images allows the viewer to concentrate on the flowing curves, rather than be distracted by the image reminding them of a particular person, which works well, because after all, how many women want to see the face of another woman looking down on them from the wall?"* says Robert. Alternatively, see the artist for yourself and let him snap you in all your naked glory after a makeover, and then hang the results on your walls. See ***RobertBabylon.com*** for more.



THE SOUND SYSTEM

Good lovin' needs a good soundtrack to get you in the mood.... or help cover up the noise. There are two ways to go here: either old school, pimpin' jukebox, or proper tech with something like Bose SoundTouch AM3 Wi-Fi speaker system and all the trimmings. Control it with any wi-fi device and swipe your play list onto the sound system. We just have to remember that there's something other than the gadgets to play with too.

THE MIRROR

Sex in front of a mirror allows you to see yourself in the act from a different angle and adds a hot voyeuristic element. When picking a mirror, the bigger the better so you can see it all. Which is why we've gone with this whopping massive Ikea Songe mirror (£115) which measures 91cm width and 197cm length.

THE RUG

Fucking on the floor requires a rug (or rugs if rolling around). Carpet burn isn't attractive and sheep skin is super soft and has that making-love-down-by-the-fireside feel, so if we didn't have to worry about cleaning the bastard things we'd fill the room with them for when you really want to get down....on the floor.

THE HOT TUB

No fantasy room would be complete without one.

THE LIGHTING

Set the mood with low, romantic lighting and fittings. We'd go with loads of little hanging lights, like those made by Bocci. Three of them can cost nearly £900! In fact, they're so posh, they wouldn't let us print them in our mag, so how about using some candles instead? A dimmer switch is a must.

THE EXTRAS

A mini fridge is a must for keeping sexy snacks in or cooling down lubricants or sex toys. A classy ice bucket wouldn't go a miss either to keep the bottle of fizz cool and the ice cubes can be used during foreplay. We especially like the unusually shaped Ribbed Cone Design Wine & Champagne Cooler, or the funky low lights and huge space for lots of bottles in the Illuminated Tall Ice Bucket Wired (£99.99 and £389.99 respectively, ***Drinkstuff.com***).

NIPPON
13.5 LT
Refrigerator AC/DC

Lavish

What can we say about the luscious Lavish that you can't guess yourself from looking at these pictures. Yes, she's gorgeous. Yes, she's filthy. Yes, she definitely knows how to wear lingerie and heels in the precise way that makes blood flow to your groins. And yes, her house is suspiciously clean...

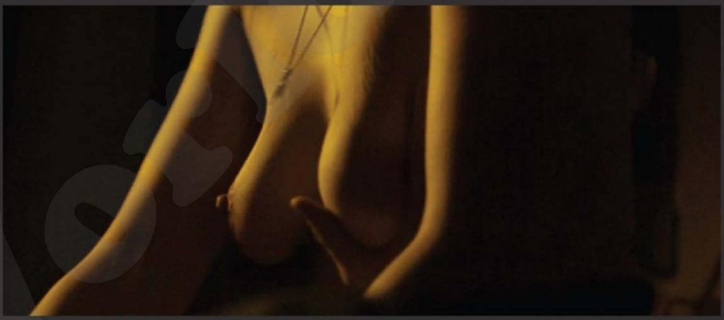
Gemma ARTERTON

Kentish cutie Gemma was flirty in *Tamara Drewe*, spunky in *Quantum of Solace* and completely nude in *The Disappearance of Alice Creed* (2009). So which of those three films do you think we've worn out to the point of buying a third copy, which is already showing signs of wear? Which do you fucking think?



Onset

HARLOT'S WEB!

Young Harlots: Slutty Delinquents

Starring
Lexi Lowe, Samantha Bentley, Lola, Charlize Tinkerbell, Tiffany Doll,
Georgie Lyall, Jay Snakes, Yanick Shaft, Ryan Ryder, Jay Snakes

Directed By
Gazzman

Available From
Harmony

If there's one invite we never turn down, it's one to the Young Harlots Institute. In all the coverage of free schools we see on television and in the press, this remarkable academy has been ignored – so we see it as our duty to shine some deserved light upon it.

Of course, educational establishments are measured by results, and our visit this time resulted in *Adult Sport* having a massive lob-on and a big wank afterwards, so we're sure you'll agree this is a fine and venerable place.

It's also a fine example of European union, with Euro babes like Lola and Charlize rubbing boobs with Brit honeys Samantha Bentley, Georgie Lyall and Lexi Lowe. We're delighted to attend to see the filming of one of Lexi's very rare boy/girl scenes. She might ration her appearances on dick, but it's not because she's an amateur, that's for sure. That body and those deep eyes ensure that every Lexi scene is a winner. She handled Jay Snakes like a charmer, whipping her stunning boobs out and wrapping them around his fortunate fuckstick. It's a scene with lots going for it, but that's true of everything we see being filmed.

We try not to get in the way when Sam Bentley and Charlize team up with Jay (again!), but we needn't have worried as they're far too busy fucking to notice us. Sam Bentley looks like one of the finest fucks on the block, and her partners raise their games too. We're just surprised we didn't bump into OFSTED when we were there… ●

KEEP CALM
ARGENTINA
WE OWN
THE
FALKLANDS

Okay, Brits, you can keep the Falklands. We'll just keep Lionel Messi, steak and all of these lush women...

ARGY-BARGY BABES!

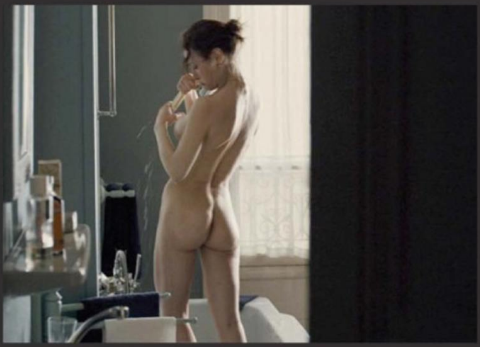
Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we travel to Argentina, known for their fantastic steaks, Maradona and their unbridled love for the British…

ISABEL SARLI

Hold the front page! We have someone who wasn't born in Buenos Aires! In fact, Concordia, Entre Rios Province is the proud home of a woman who is perhaps the sex icon of Argentina. So much so that the Argentinian president appointed her as a cultural ambassador in 2013, at the age of 78. Sarli won Miss Argentina in 1955, but then moved into films as the muse of filmmaker Armando Bo, debuting starkers in 1956's *El Trueno entre las hojas*. It was all kit-off stuff, exploitation movies and sex comedies like *Fiebre* and *Fuego* for Sarli from them on. Bless her.

JULIETA CARDINALI

Blonde hottie Julieta was also born in Buenos Aires, but in 1977, and started her film acting career in the late 90's, having been on a kid's TV program since the age of 13. Fittingly, if you're only planning to see one obscure Argentinian film and want to double the bang for your buck, she's also topless in *A Night With Sabrina Love*. Sadly, that's this sweetie's only topless action so far and with 13 years having elapsed since she shared her half-tanned milkers with us, maybe she's retired them. Come on, Julieta. Maybe show them again and we can have a chat about that whole Falklands/Malvinas situation.



NATALIA VERBEKE

Another Buenos Aires-born actress (do they actually have any other cities or towns?), Natalia Verbeke's family moved to Spain when she was 11 for political reasons. Can't blame them. Her career has seen her land roles in high profile Spanish movies and win several awards. It's also seen her get her Galtieris out on several occasions. You can check out her awesome bod in 2003's *Dot The I*, 2007's *Guantanamero* and 2011's *The Woman on the 6th Floor*.

CECILIA ROTH

Born in 1956 in Buenos Aires, Cecilia Roth has had a long and successful careeer in television and movies, both in her home country and, more notably, with Spanish auteur Pedro Almodovar. She's made six films with Almodovar, although the less said about 2013's dreadful *I'm So Excited* the better. She's a latecomer to nudity – we didn't see much of her cunt-a under the junta, instead she waited until 2000 to get nude in *A Night With Sabrina Love* and followed that up with a nude romp in 2003's *Lucia, Lucia*. Es muy bueno!

BERENICE BEJO

Oscar nominated Berenice is every kind of gorgeous, coming to life even as Peppy Miller in the 2011 black and white classic *The Artist*. Born in Buenos Aires (obvs), she was also moved out of a troubled Argentina at a young age, brought up in France. She started acting in the 90's and by 2001 was opposite Heath Ledger in *A Knight's Tale*. Yes, but where can you see her boobs? Well, we'd recommend 2000's *Meilleur Espoir Feminin* for some perky bum action and 2003's *Sans Elle* for perky boob action.

Lena
HEADEY

She might be utterly horrid in *Game Of Thrones* (and *Judge Dredd*), but we can cope with Lena Headey being nasty as long as she keeps being nude as well. She's largely using body doubles these days, so travel back in time to 2000's *Aberdeen* and 2008's *The Broken* and 2006's *300* for your fix of Headey's headlamps.

VOYAGE

We're not sure what kind of Health and Safety rules are being broken here, but we're certain that Alice and Lucy are both in the process of failing their level one hygiene certificate. On the plus side, they're both passing their level six lezzing off in front of the cameras certificate with flying colours...
